

## **Corporate profile**

### **About us**

Headway Media & Entertainment is a media company which operates around Southern Africa, in Zambia, Zimbabwe and Botswana with its headquarters in the majestic Victoria Falls and Harare. Headway specializes in providing the best sound and visual services for various occasions, indoors and outdoors. Headway is also involved in the entertainment industry as it also organizes and hosts live performance shows. Headway exists to make a difference by creating memories and smiles that last forever.

### **Vision**

Our vision is to be the biggest player in the media and entertainment industry in Zimbabwe and beyond.

### **Mission**

Our mission is to provide quality services that are accessible to different clients and that will also translate into lasting bonds between the parties. Headway also aims to promote young talent and community development.
